**Deadline for abstract submissions:
March 31, 2025**

Italian Flow Chemistry Symposium **IFCS 2025** 08 – 09 May 2025

**Centro Polifunzionale Studenti,
Piazza C. Battisti
Bari**

**Emerging technologies in flow chemistry synthesis;
Multi-step syntheses and applications in API
production;
Automated systems for medicinal chemistry and
process optimization;
Machine learning, self-optimizing systems and new
analytical techniques in flow chemistry.**

Local Organizing Committee

Renzo Luisi (Chair)
Leonardo Degennaro
Marco Colella
Philipp Natho
Department of Pharmacy – Drug Sciences
University of Bari "A. Moro"

Scientific Committee

Marco Bandini (University of Bologna, Italy)
Richard Bourne (University of Leeds, UK)
Antimo Gioiello (University of Perugia, Italy)
Heidi Gruber-Wöfler (Graz University of Technology, Austria)
Julien Legros (University of Rouen Normandy, France)
Renzo Luisi (University of Bari, Italy)
Gianluca Sbardella (University of Salerno, Italy)
Lucia Tamborini (University of Milan, Italy)
Gianvito Vilè (Polytechnic University of Milan, Italy)

PLENARY SPEAKERS

Richard Bourne
University of Leeds, UK

Julien Legros
University of Rouen Normandy,
France

Jean-Christophe Monbaliu
University of Liège, Belgium

Heidrun Gruber-Wöfler
University of Graz, Austria

KEYNOTE SPEAKERS

Claudio Battilocchio
Syngenta AG, Switzerland

Gabriele Laudadio
University of Graz, Austria

Alessandra Puglisi
University of Milan, Italy

Jun Yue
University of Groningen,
The Netherlands
